Dear Fellow Ham:

Here is my report on my station and please send me a card and tell me if you still take the monthly reports. I sent my last months report to QST but I guess it wasn't in the QST ?? why 7-22-26. Well my friend 3C87 has moved to Marysville Ohio and is now 8AMC we have QSO'd regularly for the past week and I read many mags for him and his family for me to deliver to his relatives and friends. And I am now keeping X3C87 in touch with his hometown daily so my mag total will be bigger from now on so please please where do I send it so it will (and)
